James,

This case has unexpectedly been called in for trial this week in the Superior Court. I am hoping that you are available to come to court and testify concerning your analysis of the cocaine recovered in this case. While the drugs are a small amount, the case is significant as the defendant is a drug dealer and a loaded high capacity handgun was found with the drugs.

Please call me on my cell phone [REDACTED] when you get this email. Feel free to contact me after work hours.

Thanks,

Garrett
